Language

We do not offer complete degree programs in English; however, some classes are conducted in English. Most classes are taught in Polish, but professors provide individual guidance to students. This is because the nature of work at our academy is highly personalized – most projects involve independent creative work that each student develops on their own.

SPRING SEMESTER

Teaching activity 17.02.2025 – 17.04.2025

Christmas break 18.04.2025 – 22.04.2025
